THE PUBLIC SERVICE COMMISSION  
OF SOUTH CAROLINA  
DOCKET NO. 2018-2-E**

IN RE: Annual Review of Base Rates for	)	
Fuel Costs for South Carolina	)	
Electric & Gas Company	)	
	)	
	)	<b>PETITION TO INTERVENE</b>

**INTRODUCTION**

This Commission established Commission Docket 2018-2-E, on October 4, 2017, for this Commission's Annual Review of Base Rates for Fuel Costs for South Carolina Electric & Gas Company, ("SCE&G"), pursuant to S.C. Code Ann. Section 58-27-865, *et. seq.*, (Supp. 2016) and **coincident** with this proceeding and pursuant to S.C. Code Ann. § 58-39-140, (Supp. 2016), the Commission will also determine whether an increase or decrease should be granted in the fuel cost component designed to recover the incremental or avoided costs incurred by SCE&G, to implement the Distributed Energy Resource program previously approved by this Commission.

Petitioner herein is Southern Current LLC. This Petition to Intervene is filed pursuant to R. 103-825, of this Commission's Rules and Regulations and other applicable Rules and Regulations of this Commission. This Petition to Intervene is also consistent with S.C. Code Ann. Section 58-27-865, *et. seq.*, (Supp. 2016), which allows participation by, "...all interested parties...." Petitioner seeks permission to intervene and be made a party of record in the above-referenced Docket, with full rights of participation. This Petition to Intervene follows.

**PETITIONER**

**Southern Current LLC.**

1. Southern Current LLC is the company resulting from the merger of, "Solbridge Energy LLC" and "Sustainable Energy Solutions, LLC". Southern Current LLC is a Delaware Limited Liability Corporation, duly organized and authorized to conduct business in the State of South Carolina, with its principal place of business at 1634 Ashley River Road, Charleston, South Carolina 29407, ("Southern Current").

2. Southern Current is a renewable energy solutions provider, with a focus on solar photovoltaic energy systems. Southern Current's services include planning, consulting, design, system installation and maintenance and project development. As an Engineering Procurement & Construction (EPC) Contractor, Southern Current has installed over 400 Solar Energy Systems in seven different States.

3. As a utility scale project developer, Southern Current has originated over 150 MW of operating solar assets with another 150+ MW under construction or slated for commissioning in 2017. Southern Current controls a pipeline of approximately 1500 MW of early to mid-stage utility scale projects focused mainly in the Southeastern States, including North Carolina, South Carolina, Louisiana, Alabama, Mississippi and Florida. Southern Current's projects range in size from 1 to 80 MW.

Request for Intervenor Status.

4. Petitioner, Southern Current, in the name of its two predecessor companies, received approval for intervention from this Commission in Commission Dockets, 2015-53-E, 2015-55-E, 2015-203-E, 2015-204-E, 2015-205-E and 2015-362-E. Petitioner, Southern Current received approval for intervention from this Commission in Commission Docket 2015-8-E, Docket 2016-9-E, Docket 2016-2-E, Docket 2016-1-E, Docket 2016-3-E, Docket 2016-8-E, Docket 2017-1-E, Docket 2017-2-E, Docket 2017-3-E and Docket 2017-305-E.

5. Southern Current is financially impacted by this Commission's Review, as is outlined in more detail hereinbelow.

6. Specifically, Petitioner is conducting business with SCE&G, including sales to SCE&G's Consumers in SCE&G's assigned territory, and Petitioner Southern Current has a material interest in this Commission's Review.

This Commission's Review.

7. This Commission is conducting a Review of SCE&G's fuel purchasing practices and policies pursuant to S.C. Code Ann. § 58-27-865, (Supp. 2016).

8. Coincident with this proceeding and pursuant to S.C. Code Ann. § 58-39-140, (Supp. 2016), the Commission will also determine whether an increase or decrease should be granted in the fuel cost component designed to recover the incremental or avoided costs incurred by SCE&G, to implement the Distributed Energy Resource program previously approved by this Commission.

9. This Commission's annual Review of SCE&G's fuel purchasing practices and policies will determine if any adjustment in the fuel cost recovery mechanism is necessary and reasonable.

10. As outlined hereinabove, Petitioner, Southern Current has substantial business interests with SCE&G and SCE&G's Consumers in SCE&G's assigned territory in South Carolina.

11. Petitioner's position is that Southern Current has a direct and substantial interest in the Review to be made by this Commission in this Docket and Petitioner's interests cannot be adequately addressed by any other party. Petitioner's further position is that Petitioner Southern Current will be impacted by this Commission's decision upon its Review, outlined hereinabove. Therefore, the decision of this Commission is important to the Petitioner from a financial standpoint. Petitioner's further position is that Intervention is contemplated by S.C. Code Ann. Section 58-27-865, *et. seq.* (Supp. 2016), and Petitioner's Intervention will aid this Commission by assisting in the development of a full and fair record to address the important Review to be conducted in this Docket. As shown above, Petitioner has a direct and material interest in this Commission's Review and Petitioner's interests are not adequately represented by the current parties in this Docket.

12. This Petition to Intervene is timely filed with this Commission.

13. Furthermore, Petitioner's Intervention is consistent with this Commission's long standing policy, "...in encouraging maximum public participation in issues before the Commission, and [Intervention] [is] allowed so that a full and complete record addressing...views and concerns can be developed." (Order No.: 2005-725, in Docket No.: 2005-270-G, dated December 16, 2005).

14. Petitioner should be allowed to intervene in this Docket, with full rights of cross-examination, discovery and participation in any Hearing to be scheduled in this Docket.

#### **PETITION TO INTERVENE**

15. The granting of Southern Current LLC's Petition to Intervene is (i) contemplated by S.C. Code Ann. Section 58-27-865, *et. seq.* (Supp. 2016), (ii) in the public interest and (iii) consistent with the policies of this Commission in encouraging maximum public participation in issues before it and intervention should be allowed so that a full and complete record addressing its views and concerns can be developed.

16. Southern Current LLC is represented by counsel in this proceeding:

Telephone: (803) 251-7442  
Facsimile: (803) 252-3679  
RLWhitt@AustinRogersPA.com.

**WHEREFORE**, Petitioner prays for the following relief:

- (a) That this Petition to Intervene be accepted and that Petitioner be made a party of record;
- (b) That Petitioner be allowed to participate fully in this proceeding and take such positions as it deems advisable; and
- (c) For such other and further relief as is just and proper.

Respectfully Submitted,

/s/
